Mr. José A. Casadó,
234 Maipu,
Buenos Aires, Argentina.

Dear Sir:-

In response to your letter of October 17th which has been turned over to me for reply by our President, I take pleasure in enclosing herewith a list of the publications of our Society of which we have copies on hand.

With regard to Numismatic Notes and Monographs, I would suggest that you consider becoming an Associate Member of The American Numismatic Society. The annual dues are but five dollars, and if you accept this invitation within the present year, your dues for this year will entitle you to all of these monographs.

We should be very glad to have your order for any of the other titles. If you have any other inquiries, we should be very glad to try to answer them.

Very truly yours,

Secretary.
